So What? Who Cares?

- Space: *Active attack response training*
- Problem: *Active attacks have been on the rise*
- Solution: *ALERRT provides training at no cost to the end user*
- Results: *More the 250,000 first responders trained*
- TRL: 9

ALERRT

- Founded in 2002
- Trained responders in all 50 states
- Level I class recognized as the national standard by FBI
- Congressional Achievement Award in 2016
- More than 95% of our training is on the road

ALERRT

- ALERRT provides the best, research-based critical incident response training in the country.
- It is our research basis that really sets us apart.

Uvalde

- Stop the Killing
 - Confusion over hostage barricade
 - Lack of effective incident command
- Stop the Dying
 - Lack of effective incident command
 - Extreme amount of time to first touches
